

ANNUAL MEETING

Monday 21 January 2019, 6.30pm,

Salvation Army Regent Hall,

275 Oxford Street, W1C 2DJ

(One Minute Oxford Circus Underground Station)

The main purpose of our meeting this year is to explore the model of mission (congregation, compassion, culture & commerce) advocated by HeartEdge, a new ecumenical movement for renewal. Before this, from 6.30 to 7.00pm we will present reports of CTiW activities during the past year; the Meet the Neighbours events; our Prayer Vigil; our income and expenditure; the Prisons Mission and our strengthened Executive Committee. There will also be opportunities for questions and discussion of future plans. If any votes are required, each church which is in paid up membership will be entitled to a single vote. Copies of our constitution, which is consistent with the Churches Together in England model can be found on the website <http://ctiw.london/about-us/>

HeartEdge has been initiated by St Martin-in-the-Fields and churches in Westminster have been early adopters in the movement. We will hear from churches such as Bloomsbury Central Baptist Church and Notre Dame de France about the reasons why they have joined HeartEdge and of mission initiatives to do with congregation, compassion, culture and commerce. This is an opportunity to hear about innovative mission activity in Westminster and to explore the ways in which integrated approaches to mission impact communities.
