

Bread for the World: Christian Education

Wednesday 13 September, 6.30pm

Why should the Devil have all the best technology?

St Martin-in-the-Fields hosts a Churches Together in Westminster Reformation 500 event, with St Anne's Lutheran Church London and Revd Eliza Zikmane, focusing on Luther's legacy to Christian Education through the Small Catechism

Bread for the World is a great way to find focus during a busy week. With music led by the Choral Scholars of St Martin's, we share the Eucharist in church followed by a simple soup supper in 6 St Martin's Place with the opportunity to reflect on and explore the bible together in small groups.
