Westminster RC Cathedral

What we are:

We are an ecumenical organisation, affiliated to Churches Together in England.

What we do:

We promote activities to bring together the clergy and congregations of places of Christian worship in Westminster (about 80 altogether) to explore what ecumenism means. We also enjoy fellowship and come to know other Christians in the area.

Typical events are Conferences, regular “Meet the Neighbours” evenings in each other’s places of worship, special services for Pentecost and Advent and attendance at each other’s events and services.

How CTiW is organized:

An Executive meets monthly to plan events and discuss issues. We have an AGM to report to members and we have an increasingly effective communications system to keep us all connected and informed.
